

Celebramos 10 años de la fundación

In the midst of coffee farms in San Luis of Grecia, you can find our farm and laboratory. Here, we, ASOMAG (Agroindustrial Women's Association), organically grow herbs without pesticides and chemical fertilizer. Using abundant fresh organic herbs, we produce shampoos, soaps, gel, creams and balm with love and care. We hope that you can enjoy the richness and goodness of our Mother Nature in Costa Rica with Yasü products.

Shampoo and Conditioner

Replenished with organic medicinal plants, each shampoo has unique characteristics. Chose one that is appropriate for your hair type and needs.

♦ **Herbal Shampoo (Champú de Hierbas)**

Offering effects of seven different medicinal herbs, our Herbal Shampoo nourishes hair while maintains dark hair color and adds extra shine. Herbal Shampoo is one of our top selling products. Massage throughout wet hair and scalp. Rinse well and repeat if necessary. Contains rosemary, indigo, lily bulb, sage, gaitite, cypress, avocado and shampoo base*.

♦ **Chamomile Shampoo (Champú de Manzanilla)**

Ideal para cabello fino y delicado. Permite mantener el color del cabello rubio y castaño. También es efectivo para eliminar la caspa y tonificar el cabello. Aplíquese igual que el Champú de Hierbas. Contiene manzanilla y base de champú*.

♦ **Rosemary Shampoo (Champú de Romero)**

Rejuvenating for people suffering from temporary hair loss. Adds luster and shine to hair while bringing out lowlights in dark hair color. Apply same as herbal shampoo. Contains rosemary and shampoo base*.

♦ **Aloe Vera Shampoo (Champú de Sábila)**

Improves vitality through replenishing scalp with organic aloe vera. Ideal for dry and damaged hair (e.g. coloring). Apply same as herbal shampoo. Contains aloe vera and shampoo base*.

♦ **Blackwood Shampoo (Champú Madero Negro)**

Ideal cleansing shampoo to remove all toxins or pollutants from the hair shaft. Dissolve in an ounce of water, apply to hair, let it sit for 10 minutes and rinse well. Repeat if necessary. Contains blackwood and shampoo base*.

♦ **Indigo Shampoo (Champú de Azul de Mata)**

Gives new body and texture to hair while helping to eliminate allergies. Prevents white hair from turning yellowish by dyeing hair with natural tone. Apply same as blackwood shampoo. Contains indigo and shampoo base*.

♦ **Conditioner with Aloe Vera and Rosemary (Acondicionador de Sábila y Romero)**

Fortified with organic aloe vera and rosemary this rich conditioner makes hair silkier and shinier. Apply after washing your hair with Yasü shampoo, leave in for a few minutes, rinse well and repeat if necessary. Contains aloe vera, rosemary, glycerin, water, scent and preservatives.

*Shampoo base: sodium laureth sulphate, glycerine, isopropyl palmitato, preservatives, salt, scent, water

Soap

♦ Herbal Soap Honey and Clay (Jabón de Hierbas Miel y Arcilla)

Gently cleans face with the herbs especially selected to deal with skin problems such as skin blotches and acne. Contains aloe vera, rosemary, indigo, plantain, lavender, parsley, dandelion, clay, honey, sugar and soap base.

Balm

♦ Herbal Balm (Ungüento de Hierbas)

Ideal for muscular and rheumatic pain and stiffness, also backache. With scent of saragundi and juanilama, it is also effective as repellent against small flies. Apply at least twice a day. Contains saragundi, juanilama, pine oil, eucalyptus oil and lanolin.

Cream

♦ Moisturizing Cream (Crema Humectante)

Maintains your skin smooth, while moisturizing and preventing wrinkles. Apply the cream in the morning, at night and as many times as needed. Contains aloe vera, dandelion, plantain, olive oil, water, lanolin, emulgade, glycerin and preservatives.

♦ Blotch Removal Cream for Face and Arms (Crema de Hierbas)

Recommended to diminish the appearance of blotches on arms and face. At night, apply the cream after cleansing skin thoroughly with Yasü soap. Contains indigo, mallow, mexican blue elderberry, parsley, sunflower oil, bee wax, glycerin, scent and preservatives.

♦ Cleansing Cream (Crema Limpiadora)

Cleanses gently, leaving your skin looking healthy and fresh. Especially effective for acne. At night, apply the cream after cleansing skin thoroughly with Yasü soap. Contains plantain, aloe vera, mexican blue elderberry, horsetail, rosemary, honey, clay, sunflower oil, resin oil, bee wax and preservatives.

ASOMAG: Agroindustrial Women's Association in San Luis, Grecia was founded on February 20th, 1997. The aim was initially, to create employment for women and youth in the community because of the difficult economic conditions caused by acid rain from the Poas Volcano. The mission of ASOMAG is to take advantage of the knowledge about the various uses of medicinal plants and organic vegetables to protect the health of Costa Rican families and to contribute to the awareness that we can work the land while simultaneously preserving health and the environment.
